#### § 402.31 Determination of allocations.

(a) *Allocation formula.* Allocations will be computed according to a formula using the following factors and weights:

(1) 50 percent based on the State's eligible legalized alien population, with 49 percent based upon the number of eligible legalized aliens in a State relative to the number of such aliens in all States, and 1 percent to States which have higher-than-average ratios of eligible legalized aliens to total population relative to the average for all States, based on the proportional number of such aliens; and
